

Preparing for University Student Registration Checklist

The following steps must be completed before students can proceed with University Student Registration:

1. You receive your Completion of Conditions document

Once you have met all the conditions of your offer, you will be sent a final Completion of Conditions letter with a form to return that confirms that you intend to enrol at Oxford.

2. Submit your University Card Form

You will need to complete and submit your University card form via Self-Service once you've received your email confirming Completion of Conditions. Please indicate on your card form if you have ever had an Oxford username before (SSO).

3. The Card Office Processes Your Form

The Card Office will process your Card Form in the lead-up to the relevant term starting, and will create a Student Record for you.

Once your student record has been created, this will generate/reactivate your Oxford username (SSO).

4. Your SSO and Oxford email are created

Automated processes will generate your SSO (single sign-on) and Oxford email address.

Your SSO at Oxford never changes and is made up of four letters and numbers in the format: abcd1234

Students can choose to [register with the Disability Advisory Service](#) either during the online registration process, or by [contacting DAS](#) directly.

Completing University Student Registration

Verify Your Details Online (Step 1)

Complete your University Student Registration (Step 1) by visiting Student Self-Service and logging in with your SSO.

If it is your first year of a new course, you will need to complete your formal enrolment (Step 2).

Enrolment (Step 2)

Your College Office (or Departmental Administrator, if you do not have a College) will complete your enrolment and issue you with your University Card.

Continuing students do not need to complete this step, because they will be automatically enrolled following Step 1.

Your [enrolment certificate](#) only becomes available to you once you have completed Step 1 (and Step 2 if it is your first year).

University Student Registration is **different** from:

- [Activating your SSO and IT Details](#)
- Registering for College- or Department-specific websites or events
- [Registration web-based Services](#)
- Registering with the [Disability Advisory Service](#)
- Registering with a [College or private Doctor Practice](#)
- Signing up to [Student Clubs](#)
